“ *One time my grandpa and me were in the van..and he needed to text someone on his flip phone and he asked me if I knew how to text on the phone. I said yes (I didn't know how to text on the flip phone) so he said "well here text this person this". I just started pressing random buttons and he looked at me and said (you don't know how to text on a flip phone do you) I said "no...."*

“ *My life is not over
I just started a new birth
but I learned many things
while here on earth.*

*I learned to trust God
and in all that you do
he will forgive your sins
because he never stops loving you.*

*I learned to feel secure and never alone,
I learned God has a place for me
and it's my heavenly home.
I had a destiny and it was to be free.*

*One day I heard someone calling my name
Robert it's time to come with me.
It's time to come home my child for I am your heavenly king
Enter my gates with praise and rejoice as my angels sing.
Don't worry about your family for they will not be left in grief.*

*Now since you all know where I'm going I won't say goodbye.
Because we'll meet again,
I'll just say, "See you in heaven".
to all my family and friends.*

*My only comfort is knowing that you are not in pain anymore. Love
and miss you always, your baby brother Ramiro*

“ You were the best father you taught me so much from working on a car and cooking. You always told me to stay in school and get an education because it's important for my future. My father was the strongest man I know and very brave for that I will always miss you. I always felt protected because my dad didn't take no crap from nobody. I'm always gonna be daddy's girl love you dad.
