“ Since Krystal and I moved into the Riveria 3 years ago buddy and dawn have been so welcoming to us. I would always see you walk around the neighborhood to get your exercise and you would always say hi and asked how my family was. Then you would go on your way but that meant alot to me. I will never forget the day you and dawn came over on my lawn for drinks and learn more about you 2. I would secretly be waiting for your arrival from your long florida trips so I could dream of being there also. I just recently started visiting your bar to see you and dawn but you were telling me you were thinking to stop and just relax. I'm going to Mis looking for you to talk to and your gentle waves hello. I always considered you a gentle giant because of our peaceful talks and how you always said hello. Just a bout a month ago you honked your horn at me to say hello and it was like 6am. I was like buddy it's too early to be honking but you wanted to grab my attention and say hi to me. Thank you for everything buddy. Going mis you :(

Buddy, we are all in shock learning of your passing. We all enjoyed our Class Brunch or Class Picnics. You always adjusted your schedule to attend and brightened up our day. You will truly be missed my friend. ACHS Class Of 1969 Fellow Classmates.
