“ Dear Koperniak Family,

We are sending you love and prayers at this time. We knew Paula, Brian and their beautiful kiddos in Chicago. It's clear she came from a kind, generous and loving family. What a wonderful tribute to Ronald Koperniak.

“ Our heartfelt sympathy to Marilyn and the Koperniak family. Ron was a brilliant man and mentor to many of his colleagues. He always had a smile on his face and a kind word whenever we met. Ron was the first manager I worked for in Internal Audit, and he helped me immensely as a young, ambitious, but naive recent graduate from Southeast Missouri. He will be greatly missed. God bless to one and all.

“ Words truly cannot convey what an extraordinary man that Ron was. He was the most kind, friendly, helpful, and wonderful individuals I've ever met in my life. I will miss his positive outlook and all of the advice and help he has provided me for years. Gone way too soon. He will always be in my heart. My thoughts and prayers go out to his amazing family. “ Dear Koperniak family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
