“ To my dearest, loving mother...

*Just a short time ago we were faced with having to say good-bye to pa. You put on a brave face even though your heart was broken.*

*Our hearts have now been broken twice as we now have to say good-bye to you.*

*You and pa were the best parents. Loving, caring and providing for each of us.*

*So many of our friends came to love you both as "Ma" and "Pa".*

*RIP mi querida madre...se que estas junto a Pa para siempre como deber ser.*

*Los llevaremos en nuestros corazones hasta que no volvemos a ver...tu hija Blanca💔*

*Oh Ma why did you leave us so suddenly. When in the car leaving the house Thursday night & we heard you make a sound not realizing it was actually your last breath. It's as if you knew you would not be returning home with us. 🥹 It's only been 2 months since Pa left us and now you have gone to be with him. What am I to do knowing that I will not see you asleep on the couch. 🥹*

*Descansa en paz junto a pa y cuidanos desde el cielo. Siempre los llevaremos en el corazón ❤️💔 Que Dios los tenga en su gloria y juntos con todos nuestros queridos que se han ido de esta vida.*

*Until we meet again.. tu hija Lupe 🕊️🕯️🕊️💔*

*Elvira Miranda I had a dream of you last week. I taught it was strange but I taught to myself I need to go and see you. I will always remember you and Don Pancho. When we all be together my dad and Don Pancho drinking beer in the living room. You and my mom gossiping in the kitchen. I will always have those fond memories. All of you together in heaven. May you rest in peace 💕.*
