“ A beautiful Rose Helped us bloom with her days. Her hugs and kisses Brought out our inner Monet. She mesmerized many With her dazzling style, And we didn't have to look twice To notice her graceful guile. Although some of her words Were artfully arranged. Each and every one Was worth having exchanged. She's watching over us now, Floating in the breeze with Ed. She left her treasured petals with which we will all be endowed. Rest peacefully in the flower bed.
