“ *Tia Rose, you showed me what a beautiful, independent woman who raised a amazing and kind daughter could look like ---- you are an inspiration to me! You always dressed to impress, and your scents, smile, and laughter lifted us all. It was not a party until you arrived. I hold dearly in my heart all those times you picked me up as a child to sleep over. As an adult, I cherish all our wonderful hours long phone calls we had from time to time. I am so sad that you were not able to make it to my new home in California; we made plans for you to recover and spend two weeks with me so I can spoil you, but I know we will meet again. I will miss you dearly.*

God Bless you in the afterlife!
