“ Shirley, sending you our deepest sympathy. Rosemary was like the Angie Dickinson to the rat pack of John, Matt, and Carl. They loved being together whether it was parties, apple picking or just hanging around. Her voice was unmistakable and she brought much laughter into all our lives. Bonnie and Jim, Ron

“ On behalf of my mother Geri Birsa, She is so saddened by the loss of her sister-in-law Rosemary, that she wanted me to tell Shirley how sad she feels that she is unable to attend on Saturday due to her own health issues. She has reminded me of all the wonderful memories of going on vacations together with my dad (Matt) to Utah, Vegas to visit Eddie and Jean, horseback riding at Dennis's, all the trips we took apple picking, all the Christmas parties at the slovenian center plus the drives we took to look at the Christmas decorations, Plus a whole lot more! Rosemary will be in our memories forever and will truly be missed. We all have Loved her and always will, Cousin Tammy.
