“ I have been thinking about Ruth since her passing. I worked with Ruth at Leona’s in Oak Lawn and she was always caring, honest and a great manager to work with. She kept you on your toes for sure. In 2009, I went away to prison for 6 years and Ruth began writing me in Cook County Jail and all through my sentence. She even took the trip out to Pontiac Correctional Center with another friend to visit. Ruth was a selfless person that always made sure everyone else was ok. She never stopped talking about the love she had for her grandchildren Jonathan and Kate. Such an increikble woman that led an honest good life. I live in Phoenix, Arizona and I’m truly sad that I Can’t attend her services, but I’ll truly never forget her. RIP Ruthie

“ I love you, Ruthie  
Who am I going to talk to now that you are gone? When Fran died, you said we should always tell each other, “I love you”. Every single day we talked, we always said, “I love you” before we hung up. I am sorry you suffered so much. I am sorry you never got to go to Dollywood. Yet, I am happy you are no longer in pain. I am happy you are with Fran. I will end this like all our other conversations. “I love you” “I love you, too”
