“ Ruthann was a small, powerful force when I got to know her at Camp Henry Horner. The times we got together over the next number of years after that one summer at camp were always fun. I was looking to see if she was still around during this time of Covid and found her here. Great sadness and, of course, my condolences to the family at this late stage. It is great to see her smiling face once again, however. I will relay the information to her camp "family".

“ 😞 It is with great sadness that I find out about Ruthann's illness and passing. My husband Roger and I, Alvina, remember her from working at the Riviera in Minot, ND while she attended school there. This was back in 1980 I believe. We will always remember her "blue canoe" her little Karman Ghia. She spoke of getting to ND and driving thru the sunflower 🌻 fields with her car popping out. She was sunshine ☀️. We will miss her. We had thought about her, but unfortunately didn't get to contact her. What a ray of sunshine is gone. Peace, we love you.

“ I cannot remember my youth without remembering Ruthann. During high school if you looked for her, you would also find me. We shared many fun times filled with constant and continuous laughter, and her laugh was infectious! I have thought of her many times over the years and will continue to remember her fondly. Please accept my deepest sympathy. I know she will be greatly missed, and hope your memories will sustain you.

“ My deepest sympathy for the loss of Ruthann. Ruthann and I were homeroom buddies in high school. Her humor and smile were contagious. I have wonderful memories of homeroom because of Ruthann!

*May the wonderful memories you have of Ruthann bring you great peace and joy!*
