“ *Hello, my name is Kyla Hopkins and I knew Samantha. I was 17 years old when I met her at her McDonalds where I begin to work there. I was a new employee and she was one of the managers around that time and she was such a funny person to be around. She made people laugh and smile, especially me. She made me felt like I belonged and I was so grateful that she had done that for me. I literally found out yesterday, during my shift, that she passed. One of my co-workers told me and I was absolutely distraught. I miss her terribly and I just wish I can see her again. But I can't. I wish I had knew about this sooner so I could have possibly attend the funeral. I send my condolences to her family and I send them prayers of healing and peace. Thank you, Sammy for your kindness and thank you for having such an impact on me. I will miss you.*

“ *My beautiful niece Samantha Nieves, I am beyond devastated that your life was cut short way before your time sweetie. You were such a driven young lady, hard working and so determined to succeed in life and we all are having a very difficult time in understanding why you are no longer amongst us.*

Sam, you were such an amazing daughter to your mom Liana and great sister to your siblings especially to "Bella" !

May you rest in paradise with the love of my life, your uncle Jorge Luis Laboy, Jr.

You are now and forever will be the "Guardian Angel" to your Mother, Father, Brothers and Sisters.

You will truly be missed and life will absolutely never be the same without you in all our lives !

May god give your Mother, Father, Brothers and Sisters the strength to pull through this as I absolutely know it is very difficult to accept.

Love you always and forever "J" Family 🥺
