“ Sam was my uncle and I'm very saddened by the news. He will deeply be missed. He was so full of life and it showed through his passion for his career and his very animated stories. In the last month my uncle and I had some heart to heart conversations and I will always cherish that in my heart. May he now Rest In Peace. Love you miss you uncle Sam.

“ Working with Sammy, Rick, Saul and the other amazing officers of the 013th district showed me what great fun could be had on this crazy job. Sammy was always jovial and lighthearted. There wasn't a bad day to be had with Sammy around. This isn't how it's supposed to end. RIP

Sammy was a great guy and I never remember having a dull moment around him. Its as if he really went out of his way to make you laugh. That's a rare gift, but he had it. Rip brother, never forgotten.

“ My name is rick Lopez and I worked in the 13th for many years. I never had the opportunity to work with Sam but would see him in the district station. He was always happy ! My wife and I want to extend our condolences to the family. We will pray for Sam as he is now at peace with the lord and for the family that they stay strong during this difficult time.
