“ My heart is broken for the loss of my longtime friend. I have such wonderful memories of Shirley as my chauffeur and having fun, laughing and working together at Walsh School. “ It is with great sadness that I just found out that one of my all- time favorite people has passed away. Shirley was one of the funniest people ever, who always made us laugh when she was a teacher's aide at Walker School.

Shirley used all of her motherly skills to shepherd her students through their school experiences. She was their mother at school. I know she will be dearly missed by her children and her husband Blair.

When you enter heaven, Shirley, keep them laughing.
