“ Dear Rita, Nancy, Larry, Mary Rose, Cyndy and John, Please accept our sympathy on the passing of your Mom and our aunt. She was a true blessing in all of our lives. You were also a blessing to her especially in the last years of her life. We intended to be at the wake, but I've been nursing a headache all day. We will also not be able to attend Mass tomorrow because of previously made doctor's and therapy appointments. Graceful Al took a fall on Halloween and fractured an arm in her upper left arm and shoulder. We offered our Mass this morning for all of you and for Sophie. We will be present in spirit tomorrow and in the days to come as you grieve your Mom. Peace to all! Love, Jay and Al

“ Mom was strong in spirit as well as strong physically. She brought faith into my life by walking in prayer with God the Father, God the Son, and God the Holy Spirit. Brothers and Sisters, in-laws and family, I thank you for the team effort with its rewards and lessons in helping Mother. I'm learning to move aside my will and to listen 1st then speak up. Thanks Mom for loving flowers, birds, blue sky's and the cold snow of Chicago. Best memories are painting the nativity scene for X-mas on the living rm picture window, going to Busa's each summer, and making perogies for x-mas dinner @ Busa Czajka's.
