“ *So sorry for your loss. My condolences, Jadzia and Megan. Last I seen your Dad, my uncle Stanislaw, was at a family wedding. We sat at the same table. Our menu dishes got all confused by the servers but all got straightened out eventually. My uncle sat just across from me. I have not seen him for quite some time and it was a pleasure to be in his presence. I greeted him and likewise, he back. A very gentle soul he was. We did not conserve much that night but that night he had a big appetite! I remember that vividly! And that's OK. I will miss him, for he is Family, my late Mom's beloved brother. My uncle Stanislaw Zawada.*

“ Thank you for being the best dad ever! You have supported us through the good times and hard times and never waived. With our positive attitude, we always knew that no matter what, you would be there for us. I can't thank you enough Tata. Megi and I won the most amazing lottery being your daughters. You are the best of the best! We love you and will miss you terribly.
