“ When I saw the picture of Stella Lucas, it brought back some memories. The first year I volunteered at St. Dan's carnival, she gave me and my friend the job to walk around the carnival selling pull tabs for a 4 hour shift. Half way through, she told us to take a break, get a hot dog, get out of the heat. Her kindness went a long way. I can't walk as much as I used to but seeing Stella make it to over 100, gives me hope. I can still see her smiling face and sell pull tabs in my dreams.
