“ Grandma, Even though it is very difficult for me to know you are no longer with me in body, I know your with me in spirit. I want to thank you for all your unconditional love and support. “ My dearest Stephanie, You were my second mom and you were there for me when my mom (your little girl) went to heaven. I will remember our beautiful conversations about Mexico and your life growing up. I will never forget our times spent in Mexico. I saw a lot of God in you and I really felt the Holy Spirit in you. You always had a smile on your face when I saw you and never complained about anything....not even the weather! I will keep what I have learned from you in my heart always and most of all I loved how you always called me NENA.....May you now truly live forever in heaven. Say hello to my mom. I love you so much. Dolores
