“ I had the pleasure working for Sue these past 10 years. She was a great boss and always had a smile even on gloomy days. A loving, caring and such a beautiful soul. Rest easy Sue you will be missed deeply.

“ I had the pleasure of working directly With Sue for approximately 17 years. She was a selfless, supportive, caring, hardworking, personable, and loving person. Today, we remember her life and celebrate all the wonderful memories she left with us. Death leaves a heartache no one can heal, and love leaves a memory no one can steal. Gone too soon, but never will be forgotten!!

“ Ms. Taloff was a beautiful and caring person. She was a great boss to work for! She never had a mean bone in her. Such a sweet person. I told Sue don't you ever get mad! She would laugh. My son Albert was around 7 or 8 years old when he met Sue. He loved her. He said mom she is no nice! I told him yes she is! She would come to our house for dinner once a month and would bring chocolate pound cake from Weber's. We were all excited about the dessert. To this day my son loves the chocolate pound cake and we get it for him for his birthday. I will be getting it for Albert on Sunday, since he will be 43. Sue, you will be greatly missed. I still can believe it. I had these plans of having Albert take me by you! Love you Sue! ❤️🌹
