“ *I am so sorry for you, Tom, and your beautiful family, as well as Nora and her family. One of the last things Sue said to me was that she wanted to be remembered as having made people laugh. I can tell you that some of my biggest and best laughs were between Sue and me. The world has lost a special person.*

“ When Suzan came to work in my dept., Tech services, at the Vernon Area Public Library she brightened our days !!! Her smile and laughter lit up our room and made us all feel good. I so enjoyed our talks after she retired. My husband and I enjoyed our night out with Suzan and Tom. We will miss her alot. We have no one now who will take a troubled person out to lunch and "straightened them out"--this was our standing joke !!! I cherish my time spent with her and hope she knew that.

All my love Suzan, Miss you already !!!
