“ *Sylvia and I were classmates and locker partners at St. Stan's School when it was a High School back in 1958-9 and 1960-61. We spent one year in the older building, now gone, and one year in the newer building which is now the elementary school. I deserted and transferred to Jones Commercial H. S. for my junior and senior years. My late husband Eugene (1942-2018) and I were at Sylvia and David's wedding oh so many years ago. She went on to become a nurse and I went on to become a high school teacher. We both became Moms and were in touch several times over the years as we became more involved with our families and professions. I recently met one of her cousins whose wife works at my parish, St. Mary of the Angels - the only daughter parish of St. Stan's in Chicago. I was very sad to hear of Sylvia's recent passing. We shared many happy times together in high school when we were teenagers.*

*I offer my condolences, prayers and love to Sylvia's entire family. I'm positive she is helping angels in paradise attending to their bruised wings.*
