“ *My sister Collette just told me about Aunt Therese, my beloved godmother. I cannot believe that she has already gone. Aunt Therese was pure joy. She always energized those around her with positive energy. Her sweet songs and spry dances reminded me of your lively family reunions in which Aunt Therese, Uncle Casey and the whole family entertained relatives and friends with joyful music.*

I save all her Christmas cards written with songs and prayers in Polish. Aunt Therese helped me to retain some Polish expressions learned from Dad and Aunt Cecile.

Now Aunt Therese can sing and dance to Uncle Casey's big band as they make a joyful noise together in heaven.

*Love and prayers to Frank, Mary Therese, Paul, Carl, Steve, Mark,
and the generations of a great family,
Carole*

“ Steve and family,

Sorry to hear about your mother. I do believe she may have been the only mother to visit a HeMan event.
