“ *I'll always remember how you used to take us fishing & to the car races at soldier field - You always wanted to catch the bumpers as they went by & get some rubber burns. You always had the funniest things to say to keep us guys laughing. I will miss you very much! Love, Bob*

“ Sending condolences to the Ciffone family. I am the niece of Natalie Ferrara, cousin to Andrea and Michael. TC was one of those rare special people, upbeat and glass half full kind of guy. He was always nice to my family and me and I cannot recall ever seeing him and not getting a laugh and a smile. He will be missed, but I believe he is in a very good place and surrounded by loved ones. My heart goes out to the family. We are thinking of you. Much Love, Ashley Ferrara & Family
