“ We are sorry for the loss of your Mother and Grandmother. Aunt Tosi seemed to have a smile for everyone. She liked a good laugh. I enjoyed the visits to the north with Uncle Ed, Uncle Frank and Aunt Dee. To leave behind such a family of kids, grand and great grand kids is surely one of the richest legacies to leave behind. I never met my Grandpa and Grandma Kozik however I suspect they are very proud of the branch of the family tree grown by Tosi. May she rest in peace with Uncle Ed. John and Marilyn Zmuda

“ Dear Kathie, Karen, Jimmy, Robby, Kim, to all your spouses and Grand Children, Great Grandchildren please accept Our Condolences on the Loss of your Mother. May She Rest in Peace. To Share a memory I remember when the House caught fire and remembering being in the Basement with Uncle Fred and we were in muck past our ankles. Cleaning up the mess. Also bring clothes because it was it was all the kids bedrooms. That fire I remember started from a light switch. I have watched you all grow and your children grow. to Have children of their own . And I have watched to see how much the Kozik Family Tree has branched out!

Remembering the Christmas at My Mom's house and Aunt Mary Ann couldn't make it in because Wisconsin always has a lot of snow and Uncle John was always working hard trying to keep the roads clear but they sent a Cake for all of us to share. We all have gone in different directions. We all have our own Children and Grandchildren and life moves on. Now you children are that Next Generation enjoy your family and Grandchildren.
