“ I can hear her voice, see her smile, feel her genuine love and care. She loved so hard, she talked with pride of Val and her Grandchildren, she adored Uncle Ricky and has shown such love and care for extended family. She had a zest for life and a sparkle in her eye... such a beautiful woman in so many ways. She will be greatly missed but never forgotten. May her soul soar ❤️

“ Valerie and Rick, please accept our sincere condolences. Vickie was loved by many and will be missed by all. She had a heart of gold and loved you Valerie, and her grand kids but especially my brother. I have you all in my prayers asking God to give you comfort at this moment of grief and sorrow. Though for the past few years we didn't get to spend time together, I always thought of her. God grant her peace and accept her into your kingdom. RIP Vickie. You will be missed by many.
