“Hearing the news I was shocked. Watching the video brought me back to us as kids. Fast pitching at Blair, and then later softball with the Dusters . Seeing Elvis with Fran and Kim as our dates . Vince may be gone but never forgotten. My heart goes out to his family . Rest in peace my friend.

“My friendship with Vince began on the Chicago Fire Department where we worked together for years. Since both of us retired, Vince was happiest when telling me about the challenges and talents of his sons. No dad was more proud of each of your adult accomplishments. I will look for you Vince, in stars that twinkle at night.
