“ Dear Kevin, Brian, Sheila and family,
Our condolences to you on the death of your dad. He was a very kind man. He got me a job back in 1977 handling Montgomery Ward freight and I had that job for two summers and was able to get several of my friends jobs on the dock with me. That was a direct result of Wally making the phone call on my behalf. I am sure he will be missed by all of you. I'm sorry we can't make the services.
Sincerely, John & Kathleen Daly and Family.
