“ *So many great memories of Bill, looking back he was the Dad who was usually part of the mischief going on rather than the one enforcing the rules. Somehow we all stayed mostly out of trouble. It seems that the mark of a life well lived is how much that person changed the world around them for the better, Bill was that person. Our love to Barb, Bill, Steve, Jen and the whole Kirkolis family. Hopefully the world will be a little more normal soon and we will be able to see everyone and catch up.*

“ Dear Kirkolis family,
I was saddened to hear about Bill passing away. He was a wonderful friend to me while we worked together at Walker School. Every day I looked forward to talking and laughing with him. He took good care of the school, and when he retired I cried when he came to my room to say goodbye. Bill was a good person and a great man! Thank you for sharing him with me.
With Love,
Laurie Burda
