“ *Boll was one of a kind. It was a pleasure to play volleyball with him. He made me a better player. I didn't want to let him down. He always was smiling and very humble. I am grateful to have known him.*

When my grandfather passed away, Bill came to his service and met my family and sat with us. He never met him, but that's the kind of person he was, there for a friend. I'll always remember that. Rest easy my friend. Until we meet to part no more.

“ *Didn't have the pleasure of knowing Bill very well but I knew he was a kind, gentle, loving, soft spoken man with a huge heart. He got Linda and her family through some really tough times, especially over the last few years and it was admirable. So sorry he suffered and his life was cut shorter than we all hoped. You did good, Bill Just rest peacefully now.*

On behalf of all of Bill's friends that played volleyball with him at Gross School over the years it was a total shock to hear about His death. I wii ask all of them tonight for a moment of silent prayer for him. Bill was one of the finest volleyball players I ever played with and his fondness and love of the game was always present on and off the court. Bill, you will be missed. God be with you my friend

Bill was truly a pleasure to know. He was a genuine all around nice guy and one heck of a volleyball player. I will miss our court side chats and our friendly banter at the net. Huge loss, will definitely be missed.
